Orange County Sup. Ct. (Case No. _____)
Hearing Date/Time: _____, 2023, at _____
Location of Hearing: Orange County Superior Court, Dept. _____
700 Civil Center Drive West, Santa Ana, CA 92701*

Dear Members of the Huntington Continental Town House Association, Inc.:

We are the attorneys for your Association. The Association's membership voted on whether to approve and adopt a First Amended and Restated Declaration of Covenants, Conditions, Restrictions and Easements ("Restated CC&Rs"). Passage required approval of at least 75% of the member voting rights (334 out of 445 members). Despite the Association's significant efforts to increase voter participation, only 294 members participated in the process, with 263 votes cast in favor, falling short of that necessary.

California law permits the Association to file a petition requesting the Court to authorize the Restated CC&Rs. At the request of your Board of Directors, we filed this Petition, which the Court will consider at a hearing on the date and time set forth above. You may support, oppose or refrain from participating in this proceeding. You may file papers in opposition, but you must adhere to the timelines and procedures described in the attached Order.

The Order also indicates that copies of the Petition and all related documents and exhibits in connection with this hearing will be posted by the Association on a website maintained by this office. These documents may be accessed at: _____.

Very truly yours,

Nordberg | DeNichilo, LLP

Daniel C. Heaton, Esq.
